QUANHE | 设计说明

House of Mountain is a modern style courtyard village villa. Because of the geographical advantage that it is back to mountain and facing river, and owner's strong feelings of hometown, the architectural design retained the ancestral house foundation, and design as the harbor of be together with descendants after retirement.

Owner is a young man who has a successful career and a wide living geographical scope. He does not advocate the red tape, but pursues efficiency, steadfast steady personality. His request is the need for a functional, comfortable and simple home.

Because the owner holds many parties, the villa needs to have superior banquet function, each layer are design and decorated with the living room or sitting room accordingly, and master bedroom suite on the third floor is equipped with independent home office. Besides, 8-9 guest rooms, entertainment chess room, billiards and fitness room, tea room, and video room are readily available.

Modern style is the designer's favorite style, but also the owner's preference. When we have too much pressure in modern life, we begin to pursue the feeling of freedom, elegant manners and uncommon tastes. We need to calm the blundering mood. At this time, we need the modern concise style. Conciseness is not simple, less is more. How to express the minimalism in the concise and lively space with hidden sophisticated structure is the essence of my heart and the key to the design. I focus on the expression of vertical faces based upon the reasonable plane layout, and aim to use wood, stone and texture paint to create a modern leisure living environment. The design concept is the warmth with temperature, comfort and conciseness. Conciseness is a kind of life attitude that makes our living space more natural, pure, simple, clean and quiet in the hustle and bustle of city. Conciseness is a higher level of life quality. Therefore, we choose the imported Italian modern style furniture that perfectly satisfies both the design and comfort requirements, and use imported Nordic flooring. All the details are to represent the style.

The conciseness of House of Mountain reflects the quintessence of Zen—generous and bright, and let the warmth of home brings the daily safety and peace to the owner.

山之宅是一栋的现代风格四合院乡村别墅。

因为背山面水的地利，和业主对故乡乡土的浓厚感情，建筑设计上保留了祖宅的地基，将这栋山之宅作为告老归田和子孙后代相聚的港湾。

业主是一位年轻人，事业有成，是一个生活地理范围非常广的飞行达人，不崇尚繁文缛节，讲究效率，有着沉稳踏实的个性。他提出的要求就是需要一个功能齐备、舒适简约的家。

因为业主的聚会比较多，别墅的宴请功能要求较高，相应的设计平面布置上，每层都布置了客厅或者起居室，三楼主卧套间配置了独立书房；可调配的客房8-9间；娱乐棋牌室，台球健身室，茶室，影音室一应俱全。

现代风格，是设计师自身非常喜欢的风格，也是业主的喜好。当我们在现代生活中承受过多的压力，我们开始渴望拥有自由的感觉，优雅的姿态和不凡的品味。我们需要让浮躁的心境趋向平和，于是我们呼唤简约。简约不是单纯的简单，Less is more，怎样把简约主义在简洁明快空间下，用隐藏的复杂精巧结构表达出来，是我用心的关键也是设计的精华。在合理的平面布局下着重于立面的表现，注重使用木材、石材及质感涂料来营造现代休闲的居室环境，设计理念是，带着温度的温馨，舒适及简约。

简约式一种生活态度，一种在喧嚣都市里，让我们的生活空间更自然、纯净、简洁、清新并且宁静的态度；简约是一种较高层次的生活品质。为此，我们为别墅选用完美满足设计感与舒适度要求的意大利进口现代风格家具、北欧进口地板，细节体现风格。

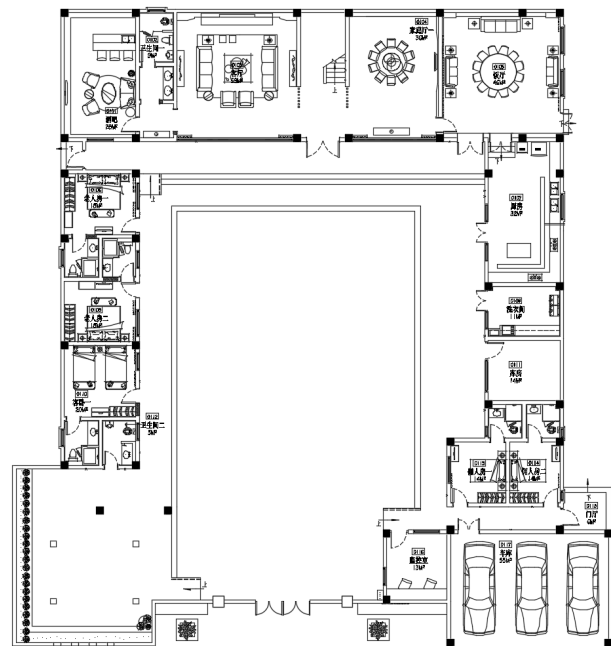

我从山中来，带着兰花草。山之宅，简约中透着豁达通明的禅意，让家的温暖带给主人每一天的安然平静。
