

设计说明

我们所设计范围是溧水李在凤东村，其位于山丘和池塘之间，并且地理位置优越，气候条件良好。将民宿建造在此，南面有开阔的视野，大片的田野与池塘形成了大小的对比，由此形成了良好的视觉效果。因此我们在民宿的南面设有较大的落地窗，以此形成良好的视野以及较好的采光。我们将可设计范围内的房子进行删减与处理，将“无”变“有”，将“有”变“无”。将人们可活动范围进行了改良与扩大。在北面有参差的山丘，为了使民宿与山丘形成良好的呼应，将民宿东西两侧保留原有的高度，同时向中间递减，以此来呼应背后的山丘。

如今，更多城市的人会来到农村，向往田园时代的无拘无束，自给自足，闲情逸致，没有任何杂念，没有任何压力。然而随着时代发展农村也渐渐消失，淡出人们的视野，城市化进程迅速发展，人们压力山大，并且长期浸泡在红灯绿酒的浮躁生活中。他们希望有一个远离“沉浮”，“世外桃源”的地方。丘陵与池塘相融相映，其间有原舍建起。在这个良好的生态环境中，游人可以感受田野的美丽，亲近大自然，亲临夜晚的宁静，赏夜晚皎洁的月光，感受光与水之间的变幻。岂不是一种对生活的体验与热爱。

The area we designed is Lishui Li in Fengdong Village, which is located between the hills and the pond and has a favorable geographical position and good weather conditions. B & B built here, the south has an open field of vision, large fields and the pond formed a size contrast, which formed a good visual effect. So we have a larger floor to the south of the B & B to create a good view and better lighting. We will be able to cut the design of the house and deal with the "no" change "yes", "yes" to "no." The scope of people's activities have been improved and expanded. In the north there are mixed hills. In order to make the homestay and the hill form a

good echo, the original height will be kept on both east and west sides of the homestay, decreasing to the middle to echo the hills behind.

Nowadays, people in more cities will come to the countryside. They are longing for the unrestrained, self-sufficient and leisurely pastoral era without any distractions or any pressure. However, with the development of the countryside, it gradually disappeared, faded out of people's perspective, the rapid development of urbanization, people under pressure, and long-term immersion in the impetuous life of red light green wine. They want a place away from "ups and downs", "paradise." Hilly and pond blending phase, during the original homes built. In this good ecological environment, visitors can feel the beauty of fields, close to nature, visit the serenity of the night, enjoy the bright moonlight at night, feel the changes between light and water. Is it not a kind of experience and love of life?
