效果图

Design sketch

《守望者》利用不锈钢材质，其形象是抽象的稻草人，稻草人是稻田和家乡的“守望者”，不锈钢的材质反射的是无想山的自然风光和你我的身影。

The Watcher uses stainless steel material. Its image is abstract scarecrow. The scarecrow is the "watcher" of rice field and hometown. The stainless steel material reflects the natural scenery of Wuxiangshan and your and my figure.

效果图 Design sketch

稻草人原本是用稻草制作，但不锈钢是如今工业社会的象征，虽然是冰冷的工业材料，但反射的仍旧是金黄的稻草，折射的是不变的“无想山”。

Scarecrow was originally made of straw, but stainless steel is the symbol of today's industrial society. Although it is a cold industrial material, it still reflects golden straw, reflecting the constant "Wuxiangshan".
